

Mission to Remission: Sponsorship Package

Support a U.S. Navy Veteran's Battle Against Cancer

About the Benefit

Dale Ulrich, a **34-year-old U.S. Navy veteran**, is facing **Stage 4 Non-Small Cell Lung Cancer (NSCLC)**, a diagnosis suspected to be linked to burn pit exposure. The **Mission to Remission** benefit will raise critical funds to cover medical expenses, family support, and the lifelong expenses that come with a stage 4 diagnosis.
